**Resolved that,**

WHEREAS, the health, safety and welfare of the citizens of the City of Warwick are matters of paramount importance to the City Council; and

WHEREAS the various ponds, lakes, rivers and streams in the City are valuable assets to the City and its residents; and

WHEREAS, some of those ponds, lakes, rivers and streams have suffered negative environmental impacts over the years; and

WHEREAS, some efforts have been made to determine the causes of the negative environment impacts as well as efforts to rectify those negative impacts; and

WHEREAS, it would be beneficial to the City Council and the residents of the City if the City Planning Department, the State Health Department, and the Rhode Island Department of Environmental Management made a public presentation at a meeting of the City Council regarding the causation, mitigation and corrective measures being done to address the negative environmental impacts on the City’s ponds, lakes, rivers and streams.

NOW, THEREFORE BE IT that the Warwick City Council hereby requests that the City Planning Department, the State Health Department, and the Rhode Island Department of Environmental Management make a public presentation at a meeting of the City Council regarding the causation, mitigation and corrective measures being done to address the negative environmental impacts on the City’s ponds, lakes, rivers and streams.

The City Clerk is hereby directed to forward a copy of this Resolution to the Director of the Planning Department, the Director of the State Health Department and the Director of the Rhode Island Department of Environmental Management.
